

# WELCOME TO FASHION

*All the Stunning Fashion Trends Slated to  
Take Over Fall and Winter 2022*

*Talk about statement-making!*

And just like that, fall is basically around the corner. I get the hesitation if you're not ready to do a deep dive into full winter coat talk just yet! But the best part about the trends we're seeing for the upcoming season is that they're not only fun,

Think: updated outerwear styles, like statement trench-coats and capes that will become your new fave cold-weather pieces, along with major cut outs (!), barbiecore everything, and plain white tanks that will make your outfits effortlessly cool (!!). Safe to say, we love everything about these trends. And if you're already intrigued and wanna be inspired by what's to come in the next several months, keep scrolling for six of the biggest trends that will take over the next few months. You're gonna love 'em. Trust.

Of course, while you're already checking out fall fashion, here are the season's standout

# THE POWER OF JEWELRY

**A**lthough you're probs in peak summer mode currently, fall is just around the corner. So, now's the time to revisit our favorite looks from the whirlwind that is ~fashion month~ back in February: We've rounded up all the stunning trends slated to take over when the temps drop once again. And if you're someone who loves to accessorize, we've got some really great news: The fall 2022 jewelry trends are next-level. (!) We saw the most gorgeous necklaces, earrings, bracelets, and rings all make their way down different runways this season. The consensus? Your jaw is gonna drop. Whether you're a minimalist or maximalist when it comes to accessorizing, there are plenty of pieces you're gonna adore.

**C**ome fall, expect all things silver (sorry, gold!), statement florals, and the most dazzling sparkly jewelry we've ever seen. There's something for everyone—and it's all ridiculously chic. So go ahead and take a peek at all the biggest jewelry trends you'll be seeing everywhere in a few months. NGL, you'll probably wanna skip ahead to autumn ASAP after seeing all of 'em.

**A**nd since cooler weather will be here before we know it (Time moves so fast, am I right?), feast your eyes on all the fall fashion, bag, and shoe trends, too.
